Honorable Fred A. Seaton
The Secretary of Interior
Washington 25, D. C.

My dear Mr. Secretary:

I wish to express my appreciation for your letter of September 11, 1956, in which you transferred to this Agency administrative control and jurisdiction over a portion of the property near Langley, Virginia, required by us for the construction of a Headquarters building.

As soon as the transfer of adjacent property to us by the Department of Commerce has been approved by the Public Buildings Service, we shall make arrangements to release to your Department some 15 acres desired as an adjunct to the George Washington Memorial Parkway right-of-way.

The fine spirit of cooperation shown by you and your staff has greatly facilitated our task, and I wish to add my personal to my official thanks.

Sincerely,

C. P. Cabell
Lieutenant General, USAF
Acting Director
